Task description

Use the knowledge from episode 2 to replicate this screen using Shapes and SF Symbols.

Stacks used: ZStack, VStack, HStack

View modifiers used:
.foregroundColor
.frame
.cornerRadius
.font(.system(size:))
.padding

Shapes used:
Circle
Rectangle (with .cornerRadius)

SF symbols used:
"star.fill"

Bonus:
Try to make a custom View for the yellow star and call it 4 times inside ContentView.

Solution is available in file **Solution.swift**

Good luck!
